

LOS MURALES RESTAURANT
The Royal Haciendas[®], Riviera Maya

Located in The Royal Haciendas[®] at the heart of the Riviera Maya, just minutes from Playa del Carmen, Los Murales Seafood Grill & Bar is the latest Royal Resorts restaurant. Opened in December 2009, it has been receiving glowing reviews ever since. A delight for the senses, it is a place where art and cuisine go hand in hand. Everywhere diners look they will find artistry, from the Byzantine-style murals that give the restaurant its name to the exquisitely presented food on their plates.

A labor of love for Royal Resorts Executive Chef Enrique Garcia and The Royal Haciendas chefs, Juan Manuel Fuentes and Daniel Che Chimal, the Los Murales menu is a true marriage of flavors, conceived to captivate and intrigue. Delicate seafood is paired with a hint of lime and fresh herbs, a touch of chili and the exotic spices of the Far East. Each dish is a voyage of discovery, an experience that diners will want to repeat over and over again.

The finest and freshest fish, shrimp, lobster, scallops and other fruits de mer from the Caribbean, Gulf and Pacific coasts of Mexico occupy pride of place on the menu along with cold-water favorites such as salmon and Chilean sea bass. Meat lovers will enjoy the hearty prime steaks, pork, lamb and poultry, and there is a delightful selection of starters, soups and salads for a lighter meal. Some of the most popular dishes include Tuna Tartare, fresh tuna fillet marinated in lime juice with capers and mango, served with tuna wrapped in prosciutto and phyllo pastry with mango sauce and strawberry vinaigrette; Seafood Ravioli, freshly made spinach pasta filled with lobster, shrimp, scallops and calamari, served with Xtabentun liqueur sauce and a hint of Xcatic chili; and Chilean sea bass with garlic mashed potato, asparagus, caramelized shallots and Pernod sauce.

Desserts are equally tempting and range from classic French Tarte Tatin to Caribbean-style Banana Flambée.

The wine list includes wines from Mexico, California and the Pacific Northwest, Chile, Argentina, Italy and Australia carefully selected to enhance the flavors of the food.

The restaurant's murals are a showstopper. Depicting a collection of tropical fruit and vegetables that are staples in the Mexican diet and in the hacienda kitchens of yesteryear, the six niche paintings by Cuban artist Arturo Montoto are an allusion to the nation's deep ties with the land itself. Masterfully reproduced in Byzantine-style tesserae by craftsmen at Venetian Mosaics of Mexico, the famous Perdomo family workshop in Cuernavaca, they are also a tribute to Mexican mosaic art, a tradition that dates back to the days of the ancient Olmec, Maya, Mixtec and Aztec civilizations.

Los Murales is an unforgettable venue for every special occasion, whether it's a wedding or engagement dinner or a graduation party. Customers have a choice of two locations: the main restaurant and the private dining room and the staff and the Royal Resorts Special Events team are on hand to help them plan the perfect evening.
