

THE ROYAL ISLANDER®

Completed in 1993, The Royal Islander® is nestled on the famous Cancún shoreline of soft white sand bordering the turquoise Caribbean. It is an RCI Gold Crown resort.

The 179 fully furnished two-bedroom master suites have two bedrooms, two bathrooms, a spacious living and dining area, well-equipped kitchens and private ocean-view terraces for sunbathing and open-air dining. Amenities include complimentary Wi-Fi, TV, DVD, sound system and an in-room safe. Beach-facing units open onto a panoramic 180-degree view of sparkling blue waters.

The master suites sleep up to six people and the innovative Royal Resorts flexivilla design enables the unit to be subdivided into a fully equipped one-bedroom suite for four people and a lock off hotel room for two. Both have an independent entrance, an en suite bathroom and ample closets. The lock off room also has a TV, coffee maker, microwave oven and mini fridge.

In addition to the beautiful beach and a large free-form swimming pool with swim-up bar, a children's pool provides a safe, entertaining experience for the little ones. The Royal Islander also has floodlit tennis courts, a half basketball court, water sports, tour and car rental desks, a convenience store and resort-wide Wi-Fi access. There are daily activities for all ages and guests can use the shared Activity Center and a supervised Kids Club offering a range of activities for children aged four to 12 years at sister resort The Royal Caribbean® next door.

A short walk down the road from the resort, a marina on the shores of Nichupte Lagoon provides sailing, kayaks, fishing, windsurfing and water skiing equipment and even a sail boating regatta on Friday morning. The Royal Islander guests can also use facilities at The Royal Caribbean, which include a gym, lobby bar, gift shop, jewelry store, beauty salon and a mini spa.

Three restaurants await guests at The Royal Islander. El Conquistador restaurant delights diners with prime steaks, fresh seafood, continental classics, flambéed dishes and

live guitar music. A more casual eatery, Cayo Largo offers international cuisine, seafood and a selection of soups, salads and sandwiches and on the upper deck guests can enjoy tasty tacos and other Mexican delights at Paco's Tacos. Theme night dining options during the week include a seafood special and a poolside cookout and there's a popular smoke BBQ lunch on Mondays. More mouthwatering dining choices await guests at The Royal Caribbean.

The Royal Islander is located at km. 17 on Kukulcan Boulevard in Cancun Hotel Zone. The nearest golf course is the Iberostar Cancun and for shoppers Kukulcan Plaza and La Isla Shopping Village are a ten-minute drive away. An inter-resort shuttle links The Royal Islander with the other Royal Resorts; the service is complimentary and runs during the day with departures at regular intervals from the resort motor lobby (reservations required).
